## Brand Identity

In 2022, I was contracted to create a logo for a brand that is about to diversify, I delivered this magnificent brand identity, the client was astonished. I was able to bring my client's ideas to life.

## Product Packaging

Packaging should be viewed as a valuable investment because creating a new product requires strategic expenditure. The success or failure of a product on the market is largely determined by the packaging design. Therefore, I ensure my packing process is perfectly aligned. After the successful launching of coconut cinnamon balls, it was accepted immediately by the public because it stood out in shelves, The product is delicious and the packaging is outstanding. Since its release, it has sold more than 5million units nationwide.

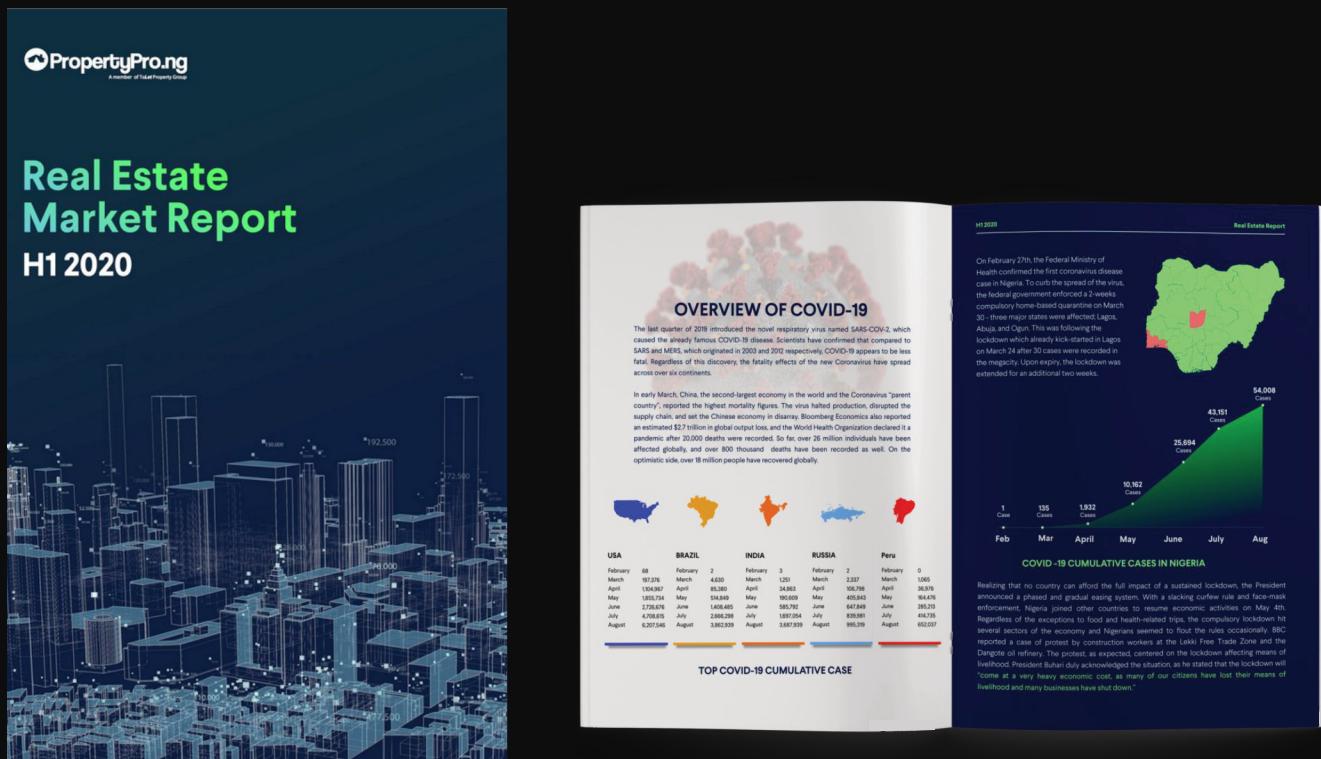

## Luxury Magazine Design

Prestige Magazine is a bimonthly premium property and luxury lifestyle magazine with captivating content on prime properties, stunning architecture and lush interiors. Other than real estate and interiors, Prestige features columns on travel, automobile and exclusive interviews. My co-designer and I engage in numerous research before we meticulously put every single pages together.

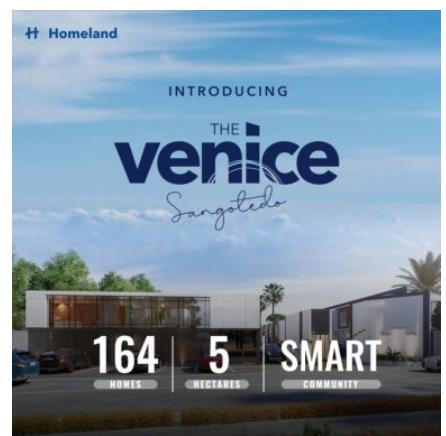

## Report Design

Report Designer offers a graphical interface via which you can configure data sources, datasets, and queries as well as the locations of data regions and fields in reports as well as interactive elements like parameters and collaborative sets of reports.

## Social Media Design

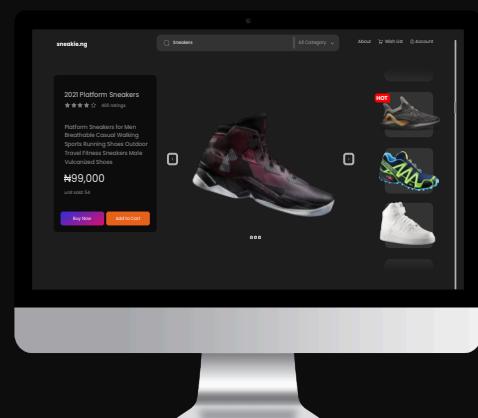

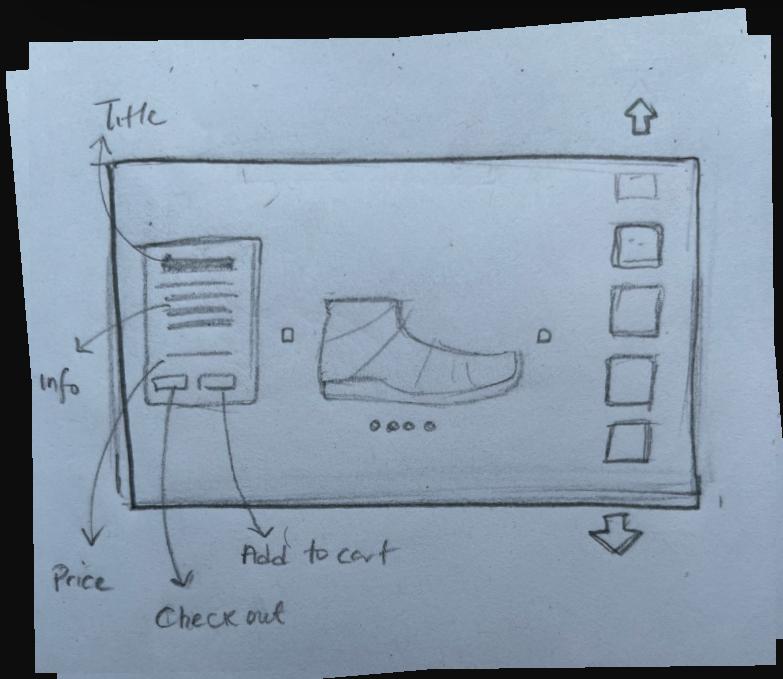

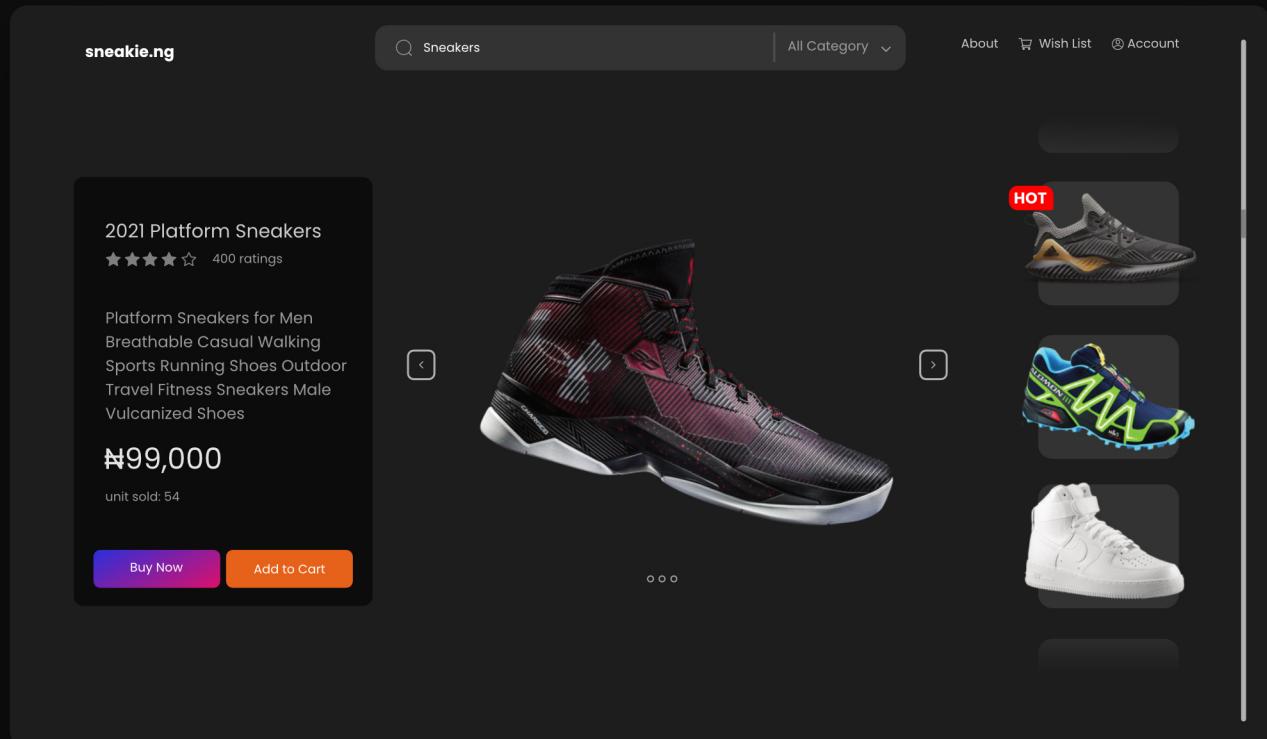

I have worked alongside with digital media team and created amazing social media content that are aesthetic and functional.

# Web Design & Development

The screenshot collage illustrates the comprehensive web design and development work for Homeland. It includes:

- Header:** Features the Homeland logo, navigation links (Projects, Company, Learn, Realtor, Sales & Support, Get in touch), and a search bar.
- Hero Section:** Headline "Building the future community". Subtext: "Homeland is on a mission to shape new lifestyles with a focus on design excellence, build quality and timely delivery." Call-to-action buttons: "Start your home journey" and "Start your virtual tour".
- Project Details:** Section titled "We Create Amazing Communities" with subtext: "You can find a perfect place to live within our multiple projects". It shows three project cards: "Silver Springs Residence", "The Venue", and "The Orchid".
- Partners:** A section featuring logos of various partners: @private property, PropertyPro.ng, castles.ng, PRESTIGE, BESO GLOBAL, BUSINESS DAY, Mitula, ei, and AFI EVENTS. A central callout states: "Over 8+ Reputable Marketing Brands have partnered with Homeland." with a "Get in touch" button.
- Community:** A circular graphic with user avatars and the text: "We're here to help", "Let's Build your next home", and "Start your home journey".
- Mobile App:** A screenshot of the Homeland One App interface on a smartphone, with the text: "Manage your Property 24/7, with the Homeland One App". It includes download links for the App Store and Google Play.
- Testimonials:** A green-themed section featuring a quote from "Mayowa Talabi - Shell, Germany": "It was so easy to purchase my first home with homeland. Their customer success team is super service minded and ready to help your home ownership." Below the quote are small portraits of "Theresa and John Sefehl".
- Footer:** A footer bar with social media icons, a search bar, and a "Feedback" link.
